Brand New Book ***** Print on Demand *****.When Jesus taught his disciples to pray the Lord s Prayer, they received the prayer from an Aramaic perspective that offered many levels of spiritual meaning. The beloved Our Father provides expanded meanings when the Lord s Prayer is interpreted and prayed with the foundation of the language Jesus spoke in mind. Building around God s desire for unity among all creation, each petition is explored to reveal internal, external, literal, metaphorical, and mystical treasures common to the Aramaic language. In Living Color: The Lord s Prayer concludes with group-oriented discussion questions related to scripture and to the participants life experience to explore how praying and meditating with new perspectives on the traditional words of the Lord s Prayer rooted in the language Jesus spoke can help Christians grow spiritually.
