## ***Reviews***

*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Critical Thinking and Reflection for Mental Health Nursing Students, Marc Roberts, The ability to reflect critically is a vital nursing skill. It will help your students to make better decisions, avoid errors, identify good and bad forms of practice and become better at learning from their experiences. The challenges they will face as a mental health nurse are complex so this book breaks things down to the foundations helping them to build critical thinking and reflection skills from the ground up. Key features: \* Covers the theory and principles behind critical thinking and reflection \* Explores the specific mental health context and unique challenges students are likely to face as a mental health nurse \* Applies critical thinking to practice but also to academic study, showing how to demonstrate these skills in assignments.
