Brand New Book ***** Print on Demand *****.Like that other British TV favorite, Call The Midwife, Downton Abbey has found a special, solid place in our hearts. It was an instant hit when it first came to our screens on PBS in January 2011 and people have been talking about it ever since. Downton Abbey, home of the Crawley family and their servants, depicts a time long forgotten where social standing was everything and etiquette the name of the game. However, the stories that comprise Downton Abbey and which hold so many of us agog, are entirely fictional and figments of Downton s creator and writer, Julian Fellowes , imagination. The stories are interspersed with historical details, backdrops and real life experiences and events. The fact and fiction combine with lavish settings and fine attention to details to keep the viewing public enthralled. The end result is that we are fascinated with the lives of the Crawley family and their servants as the viewing figures of the new Downton Abbey season opening and the sales of Downton Abbey DVD s continue to show. Lives, births, deaths, joy, struggle, grief are all part of the Downton Abbey magic so come with me as we take a look behind-the-scenes of one of the most popular shows on TV. Share what it was like to live in a home like Downton Abbey, the intrigue, the drama and the hard work it took to keep it all going. You will learn: Background insider information about the making of the series Trivia about the actors that comprise the cast of Downton Abbey Character profiles of Downton Abbey favorites Historical facts about Downton Abbey times Information about the British aristocracy that..
