## THE ADVENTURES OF TILDA PINKERTON: BOOK 1: CRASH-LANDING ON OOLEEEOO

Quiet Owl Books. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. A modern fairy tale for the smart reader - the precocious child and the clever adult. What if the thing you're most insecure about is what saved the world? The most embarrassing secret Tilda Pinkerton, the magical hat maker, keeps hidden from the children she teaches is her most miraculous gift. The Adventures of Tilda Pinkerton is a story of inter-galactic crisis with bionic bugs on a mission to capture the great Tilda Pinkerton and destroy her magical hats before she can spread her Light across the galaxy. Written in a wonderfully lyrical way that will appeal to fans of Dr. Seuss, Star Trek, Matilda Wormwood, and Harry Potter with every character's name being a verbal play on their personalities. Quinn, for example, is Quinn Quisquilius, who works with rubbish to create new things. Belinda Balletomania is just that obsessed with ballet. And of course Aaron Arachnophobia is the spider desperately afraid of himself. SYNOPSIS: Somewhere out in the Sombrero Galaxy, Tilda Pinkerton--mystical maker of mysterious, magnificent, magical hats--is being hunted by the Keeper of Darkness. Yet Tilda does not recall anything at all, after a tremendous fall. No one on Ooleeoo, where Tilda crash-landed, knows she is from another planet. Only Star Jumper Randy can tell her but he's light years away, frantically searching for his missing love, desperate that without her, the entire galaxy soon may be lost. Even in the middle of cosmic danger, Tilda loves to create hats, for which she has a rare and uncanny knack. All who receive them sparkle, in fact and spark their innermost talent. With a Tilda hat, people can suddenly do whatever they dream of, causing brilliant ideas to grow madly. With Gladys the toad, who thinks...
