Blue Dolphin Publishing, Inc. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 8.9in. x 5.9in. x 0.9in. When a soldier makes it home in a world once again torn by the madness of war, Miranda Lorelei Blakes recurring dreams have drawn her into an epic healing journey of almost biblical proportions. As her close friends rally to help her adapt to the psychic rescuer role that has been thrust upon her, she discovers that her guide in the dream world is the infamous Captain Hook. Yet without him, she cannot find her way through the labyrinth. Miranda and her new love interest, Jim McBain, are not the only starcrossed lovers in this karmic convergence. Somehow, she has to help a critically wounded soldier find the young Army Nurse who prayed for him in Vietnam. But how do you help a man who died in 1971? Perhaps she should swim back to the Beach in her mermaid form, and ask Albert Einstein. Everyone who served in the bloodbath of Vietnam left part of his or her soul there, and many of these souls now wander the earth as restless spirits in search of peace, rest, and resolution. In a tour de force of originality, power, creativity, understanding, and reverence for his subject, Steven Cain has crafted a mesmerizing novel about the experiences of nurses, surgeons, medics, and others in the killing fields of Vietnam and the decades following. This is a tale about the transformative power of compassion, and the ability of love to operate across the presumed barriers of space and time. Steven Cain understands the symmetry between chaos and order, and he has crafted a whopping novel in which the stars indeed dance. Larry Dossey, MD, author, *The Power of Premonitions* A riveting read. One Star Awake is...
