She wants to know why the two most powerful magicians in all of Corlin ripped her from her mother's arms, raised her only to fight, and then tossed her away to die at age ten. She wants to know why they are trying to recreate the spells which caused the Devastation that wiped out most of the world's population, leaving behind skeletal cities and abandoned technology. And she wants to kill them. With Tommy, an orphan bearing the tattoos of a sorcerer, she crosses this shattered land. Despite the challenges they face -- crazed magicians, guitar-playing assassins, mutated beasts -- Malja pursues her vengeance with a single-mindedness that may destroy all she holds dear, forcing her to make a terrible choice between the family she lost and the one she has built.
