This is a handbook for the architects, the supporters, and all the various workers who make a lay counseling program work. In it one will find all the information needed to begin, to continue, and to revise the program one has chosen. Lay Counseling is not itself a program. It directs people to appropriate structures, plans, programs, and resources. It is a book that allows one to see the whole terrain of lay counseling, to make appropriate choices, and to begin or continue the process of building. Lay Counseling includes many useful resources such as appropriate forms and questionnaires as well as the most comprehensive survey of programs, literature, and resources that are currently available.Editorial ReviewsFrom the Back CoverThis is a handbook for the architects, the supporters, and all the various workers who make a lay counseling program work.
