Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Works, Vol. 14: Revised Corrected by the Author, With an Introductory Preface My Dear Sir, In offering you a book, which I fear is little worthy of your acceptance, and a compliment which has become valueless, I cannot help expressing my regret at having no other means of testifying my esteem and respect for one, who has not only always shown a most kindly feeling towards myself and my works, but has ever advocated the true interests of literature. You will, nevertheless, I am sure, receive the tribute not unwillingly, however inadequate it may be to convey my thanks for many an act of kindness or to express a feeling of high esteem founded on no light basis. In the volume I send, you will find many scenes with which you are familiar, both in history and in nature; but one thing, perhaps, will strike you with some surprise. We have been so much accustomed, in ballad and story, to see the hero of the forest, Robin Hood, placed in the days of Richard I., that it will seem, perhaps, somewhat bold in me to depict him as living and acting in the reign of Henry III.
