Welcome to Schnobbleville, the cute little town with a funny name and a silly secret it s the only place on Earth where watermelons actually grow on trees! But in order to see them, you have to use your fancy-schmancy binoculars and a little imagination. But be careful! There is one thing you must never ever do in Schnobbleville: Don t ever sneeze because just one sneeze might knock all those watermelons off the trees! Do Watermelons Grow On Trees? is an entertaining and interactive book that nurtures young readers imaginations as they ponder what else might grow on trees and encourages sharing those whimsical visions with others. The book also offers lessons and imagery through which children learn when to say please and thank you, as well as a host of other valuable rules of manners and politeness. This beautifully illustrated rhyming book is appropriate for children from toddler and preschool ages through third grade, and for anyone from parents, grandparents and babysitters to teachers who teaches or cares for children.
