

All You Need Is Ears: The Inside Personal Story of the Genius Who Created the Beatles

By George Martin

St. Martin's Griffin. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 9.1in. x 6.1in. x 0.9in. George, he said, I don't know if you'd be interested, but there's a chap who's come in with a tape of a group he runs. They haven't got a recording contract, and I wonder if you'd like to see him and listen to what he's got. Certainly, I said, I'm willing to listen to anything. Ask him to come and see me. O. K., I will. His name's Brian Epstein. . . All You Need Is Ears is the story of George Martin, the man who spotted the Beatles' talent, who recorded and produced them from the start, and who brought their musical ideas to life. In this witty and charming autobiography, he describes exactly what it was like to work in the studio with the Beatles--from the first audition (and his decision to scrap Pete Best on drums) to the wild experimentation of Sgt. Pepper (complete with sound effects, animal noises and full orchestras in evening dress at the direct request of Paul McCartney). This is a singular look at the most important musical group of all time, and how they made the music...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
