Grammar for the Soul: Using Language for Personal Change

By Weinstein, Lawrence A

Quest Books, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Many of us write on a day-to-day basis and without thinking employ the myriad of grammatical elements we all learned in school, like transitive verbs, prepositions, commas, and colons. We may have never considered, as this teacher of expository writing points out, that within these elements lie a wealth of wisdom on how to better ourselves. For instance, Weinstein offers advice on how to become a more demonstrative person; start first by shouting out loud on paper by using more exclamation points. Each chapter describes how using an element of punctuation or syntax can hasten personal growth.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
