

## Robert Plant: a Life: The Biography

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## ROBERT PLANT: A LIFE: THE BIOGRAPHY

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Robert Plant: a Life: The Biography, Paul Rees, Robert Plant is one of the few genuine living rock legends. Frontman of Led Zeppelin, musical innovator and seller of millions of records, Plant has had a profound influence on music for over four decades. But the full account of his life has barely been told .until now. Robert Plant: A Life is the first complete and comprehensive telling of Plant's story. From his earliest performances in folk clubs in the early 1960s, to the world's biggest stages as Led Zeppelin's self-styled 'Golden God', and on to his emergence as an emboldened solo star. The sheer scale of Zeppelin's success is extraordinary: in the US alone they sold 70 million records, a figure surpassed only by the Beatles. But their success was marred by tragedy. These pages contain first-hand accounts of Plant's greatest highs and deepest lows: the tragic deaths of his son Karac and his friend, Zeppelin drummer John Bonham. Told in vivid detail, this is the definitive story of a man of great talent, remarkable fortitude and extraordinary conviction.
