Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Anti-Christ has arrived; but not in the traditional expectancies. An examination through fictional - science fiction treatment. I fear the world stands near a precipice based in all of the history of world reiligions throughout recorded time. Perhaps this is best described as an open letter to those that either would gleefully or reticently push us all over that edge. Done in science fictional style, simply to address those of the past few decades that would advance that U.F.O. s would offer salvation or that the return of cultural or societal investigations such as the Mayans and other prior cultures could ever hope to offer answers. I would suggest that people think a bit more about their contentions and beliefs. Only three, throughout the history of Christianity were ever taken, translated or transfigured. Why do so many of you think you re that deserving? Despite grace. Between Ufology and embrace of dead cultures and the Rapture Theorists, I feel a terrible and consequential future is at hand. Think. For yourselves! For those students who have studied, I point to the later Books of Moses, specifically Numbers and Deuteronomy. The Israelites were not wandering lost in the desert. They were a warring army directed to annihilate worshipers of Baal. Remnants of those worshipers did escape and that leads me to think that any assumed or real U.F.O. activity could have origins far closer than outer space. \*\* (Additionally, Numbers 12-1 sure puts a wrinkle in racial assumptions - doesn t it?) A home grown deception of our own allowance? So, Erich Von Daniken in Chariots of the Gods seems to have overlooked some of his...
