Reviews

*Completely among the finest ebook We have at any time read through. it was actually writtern really properly and helpful. You are going to like just how the writer compose this publication.
(Mr. Deangelo Considine)*

THE CONFEDERATE FIRST READER: CONTAINING SELECTIONS IN PROSE AND POETRY, AS READING EXERCISES FOR THE YOUNGER CHILDREN IN THE SCHOOLS AND FAMILIES OF THE CONFEDERATE STATES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Confederate First Reader: Containing Selections in Prose and Poetry, as Reading Exercises for the Younger Children in the Schools and Families of the Confederate States This book has been compiled and prepared for the use of children who may have mastered the reading lessons of the spelling-book. It is more particularly designed as an immediate successor, in this respect, to the Confederate Spelling Book, which has been so extensively adopted in the schools of the Confederate States. The pieces have been selected with a view to interest and instruct the pupils, and at the same time to elevate their ideas, form correct tastes, and instil proper sentiments. Whatever seems most desirable for these purposes, among the literary materials that have become public property, has been freely appropriated; suitable articles neither being rejected because familiar to adults, nor novelty sought for its own sake. At the same time, the selections have, by no means, been confined to the hackneyed list. It is believed that the exercises thus chosen, are well adapted to the capacity of those for whom they are designed, and will afford them much more real pleasure, as well as improvement, than the frivolous sentences which some suppose to be the best entertainment for juveniles. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
