Thomas Nelson Publishers, United States, 2013. Paperback. Book Condition: New. Reprint. 211 x 140 mm. Language: English . Brand New Book. Most marriage books assume the author did it right. Most marriage books barely mention friendship. Most marriage books use intimacy as code for sex. This is not one of those books. In Real Marriage, Pastor Mark Driscoll and his wife, Grace, share how they have struggled and how they have found healing through the power of the only reliable source: the Bible. They believe friendship is fundamental to marriage but not easy to maintain. So they offer practical advice on how to make your spouse your best friend - and keep it that way. And they know from experience that sex-related issues need to be addressed directly. Five chapters are dedicated to answering questions like: * Should I confess my pre-marital sexual sin to my spouse? * Is it okay to have a work spouse ? * What does the Bible say about masturbation and oral sex? Stunningly honest and vulnerable, Real Marriage is like a personal counseling session with a couple you cannot surprise, you cannot shock into silence, who will respond to every question with wisdom, humility, and realism. If you want to have a long-lasting, fulfilling marriage you should read this book. Wrestle with this book. Pray over this book. Share this book. And discover how God can use it to change your life. Endorsements: If you re married or plan to be someday, do yourself a favor and read every page of this book. -DRS.
