Hachette Children s Group, United Kingdom, 2016. Paperback. Book Condition: New. 265 x 211 mm. Language: English . Brand New Book. I love this tree is a book which looks at the life of an old living deciduous tree and through it explores the amazing life of a tree and the creatures that inhabit it. Using a mixture of photos and artwork the book shows how the tree has changed and how it acts as a habitat for other life. This beautiful book explores how important trees are to the planet. Packed with information and pictures it provides a wealth of information about trees and their importance and inspires a love of these amazing plants. It s a fantastic resource for the Science Curriculum with its emphasis on plants, classification and habitats, for children aged 8+. Shortlisted for the 2016 SLA information book award in the 7-12 category and the 2016 English 4-11 picture book awards. Close to my house, there s a beautiful, huge, spreading tree. I see it every day. We walk past it on the way to school, and hear the wind rustling through it at night. How long has that tree been standing there? If the tree wasn t there any more, I would miss it all the time. But it s not just me - so many animals depend on it too. A really thorough, charming exploration of the lives of trees and their importance in the world - School Librarian.
