Brand New Book ***** Print on Demand *****.Excerpt from Baskervill-Sewell English Course: Language Lessons for Lower Grammar Grades, School Grammar for Upper Grammar Grades, English Grammar for High Schools and Academies Of making many English grammars there is no end; nor should there be till theoretical scholarship and actual practice are more happily wedded. In this field much valuable work has already been accomplished; but it has been done largely by workers accustomed to take the scholar's point of view, and their writings are addressed rather to trained minds than to immature learners. To find an advanced grammar unencumbered with hard words, abstruse thoughts, and difficult principles, is not altogether an easy matter. These things enhance the difficulty which an ordinary youth experiences in grasping and assimilating the facts of grammar, and create a distaste for the study. It is therefore the leading object of this book to be both as scholarly and as practical as possible. In it there is an attempt to present grammatical facts as simply, and to lead the student to assimilate them as thoroughly, as possible, and at...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
