HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Good Husband Material, Trisha Ashley, Another warm, wise and witty offering from Sunday Times bestseller Trisha Ashley. James is everything Tish has ever wanted in a husband - she's married a man who even her mother approves of. He's handsome, dependable, and will make an excellent father - unlike Tish's first love, the disreputable Fergal. Her teenage sweetheart abandoned her for a music career and now lives a typical celebrity lifestyle. Fergal broke her heart - James helped mend it. Now, they've bought a cottage in the country. The next step - kids and a lifetime of domestic bliss. Well, that's the plan. And even if James has a slight tendency to view the village pub as a second home, their relationship is still in pretty good shape after seven years of marriage. So why is marriage to Mr Right making her long for Mr Wrong?.
