Because the penalty for discovery is the hangman s noose, they limit themselves to the occasional night of passion ashore. But in the Navy, nothing lasts forever. A transfer to a new ship brings with it a bizarre turn of events: their captain orders them to behave as though they are involved in an illicit relationship in order to smoke out a suspected traitor. When their masquerade proves dangerously effective, it threatens to cost Davy his life. Eye of the Storm The long war between England and France enters a fragile and temporary truce in the winter of 1802, but the lives of Commander William Marshall and Lieutenant David Archer are more complicated than ever. After almost losing Davy in battle, Will faces the responsibility of command and questions whether he can give orders that will put his love in harm s way once more. Doubts torment David Archer. Will walked away once, trying to end their relationship for Davy s own safety. His physical wounds have healed, but the loss of trust remains. Now, his biggest challenge is persuading Will their love is worth the risk of loss.
